

CONCLUSION

In accordance with 37 CFR 1.173(b), only the non-compliant section of Applicants' previously-submitted Amendment and Response has been included in this response.

The non-compliant element arose in the Divisional, which was filed on August 5, 2003, wherein claim 1 had the typographical error "above an on". The error was corrected about March 24, 2005, for claim 1, but limitations from claim 1 were imported into claim 11, and the correction "above and [an] on" was inadvertently left in claim 11.

The error was left as an artifact in the Response, received by the Office on August 5, 2005, with the denotation "Previously Presented".

Accordingly, the error is herewith corrected, by amendment.

Applicants respectfully submit that the Examiner withdraw the non-compliant status and examine the response as appropriate.

The Examiner is invited to telephone Applicants' attorney at (801) 278-9171 to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

JHPERNG LEU ET AL.
